BY ACCESSING OR USING SEVERON SEARCH, WITH OR WITHOUT A SEVERON ACCOUNT, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE, YOU MAY NOT USE SEVERON SEARCH.

PLEASE READ SECTION 7 (AUTOMATED ACCESS AND SCRAPING), SECTION 15 (LIMITATION OF LIABILITY), AND SECTION 18 (GOVERNING LAW AND DISPUTES) CAREFULLY. THEY AFFECT YOUR LEGAL RIGHTS.

Severon Search Terms of Service

Version effective November 14, 2026

"**Severon**," "**we**," "**us**," and "**our**" mean Severon Intelligence, Inc. "**You**" and "**Your**" mean the person using Severon Search, and, if You use it on behalf of an organization, that organization too.

"**Severon Search**" means Severon's search services, including Helios, web, image, and news search, Severon Maps, places and place cards, directions, autocomplete suggestions, AI overviews, saved snapshots, reviews, and any related websites, apps, and features. "**Results**" means everything Severon Search returns or displays, including links, snippets, images, place information, ratings, reviews, AI overviews, and ads.

1. USING SEVERON SEARCH

- You can use Severon Search without signing in. Some features, such as saving snapshots and posting reviews, require a Severon Account and are also subject to the terms for Severon Accounts.
- To create an account or post content, You must be at least 13 years old, or the minimum age required in Your country, if higher. If You are under 18, You may use Severon Search only with the permission of a parent or guardian.
- If You use Severon Search through a school, employer, or other organization, that organization's settings and agreement with Severon may also apply.
- Severon grants You a personal, limited, non-exclusive, non-transferable, revocable right to use Severon Search for Your own non-commercial purposes, in accordance with these Terms. Business use is permitted only as these Terms or another agreement with Severon expressly allows.

2. RESULTS

- Results include content from websites, businesses, and people that Severon does not own or control. Severon does not endorse, verify, or take responsibility for third-party content or for any website You visit from Severon Search.

- Severon decides how Results are found, ranked, and displayed, and may change, limit, or remove Results at any time, including to comply with the law or to protect users.
- Results may be inaccurate, incomplete, out of date, or offensive. You use them at Your own risk, and You should check important information with its original source.

3. AI OVERVIEWS

- AI overviews are generated automatically from Your search terms and the sources Severon Search returns. They may be inaccurate, incomplete, or misleading, even when they cite sources.
- AI overviews are not professional advice. Do not rely on them for medical, legal, financial, safety, or other important decisions, or in an emergency. If You are in danger, contact local emergency services.
- You can turn AI overviews off in Severon Search settings.

4. MAPS, PLACES, AND DIRECTIONS

- Maps, place information, and directions are provided for general planning only. They may be wrong or out of date, and conditions such as closures, construction, traffic, and weather may differ from what is shown.
- Always follow traffic laws, road signs, and local conditions, and use Your own judgment. Do not use Severon Maps in a way that distracts You while driving or moving.
- Place information may come from businesses, users, and other sources. Severon does not guarantee it, including hours, prices, availability, or whether a place is open.

5. ADS

- Severon Search may show ads. Ads are labeled “Ad” and are selected based on Your search terms, not a personal profile. Ads are subject to the Severon Advertising Policies.
- Advertisers are responsible for their ads and for what they offer. Severon does not endorse advertisers.
- You may not click ads, or cause ads to be clicked, for any reason other than genuine interest, including to generate charges for an advertiser or to drain a competitor’s budget.

6. YOUR CONTENT: REVIEWS, PHOTOS, AND SNAPSHOTS

“**Your Content**” means reviews, ratings, photos, reports, and anything else You post or save in Severon Search. You keep ownership of Your Content. You grant Severon a worldwide, non-exclusive, royalty-free, sublicensable, transferable license to use, host, store, reproduce, modify, adapt, translate, publish, and display Your Content in connection with operating, providing, promoting, and improving Severon services. This license continues for as long as Your Content is on Severon services and for a reasonable period afterward to remove it.

Reviews are public. Other people can see Your rating, review, photos, and Your name shown as Your first name and the first letter of Your last name. You represent that You have every right needed to post Your Content, and that it follows these rules:

- Reviews must be based on Your own genuine experience. You may not review a business You own, work for, or compete with, or post a review in exchange for anything of value.
- Photos must be real photos that You took or have the right to share. Images generated or altered with AI are not allowed. Basic edits such as cropping and adjusting brightness or color are fine.
- Your Content may not include personal information about others, hateful or harassing content, sexually explicit material, threats, spam, links, or anything illegal.
- Photos are checked by automated safety systems before they appear, and anyone can report a review. Severon may decline to publish, edit for formatting, or remove Your Content at any time, in its sole discretion.

7. AUTOMATED ACCESS AND SCRAPING

Severon Search is for people. You may not, and may not help or allow anyone else to:

- Access, query, or use Severon Search by any automated means, including bots, spiders, crawlers, scrapers, scripts, headless browsers, browser extensions, or browser automation tools.
- Send automated or programmatic queries, or any queries that are not made by a person for their own use.
- Scrape, crawl, extract, copy, cache, index, download, archive, or store Results or any other content from Severon Search, in whole or in part, except for saving individual snapshots through the feature Severon provides.
- Use Results or any content from Severon Search to build, train, fine-tune, evaluate, benchmark, or ground any AI model or system, or to create any dataset, index, search engine, directory, or competing product or service.
- Sell, resell, redistribute, republish, sublicense, frame, mirror, or otherwise commercially use Results, including by displaying them in another product or service.
- Get around, disable, or interfere with any rate limit, CAPTCHA, block, robots instruction, or other access control, including by using proxies, rotating IP addresses, multiple accounts, or false identities.
- Access Severon Search through any interface other than the websites and apps Severon provides. Programmatic access is available only under a separate written agreement with Severon, such as the Severon Developer API Agreement, and only within its terms.

Severon may block any device, account, network, or IP address it believes is accessing Severon Search by automated means, without notice. Violating this Section is a material breach of these Terms, and Severon may take legal action to stop it and to recover its losses.

8. OTHER PROHIBITED CONDUCT

If it isn’t clearly allowed, assume it isn’t. You may use Severon Search only as these Terms expressly permit. You may not, and may not help or allow anyone else to:

- Manipulate Results, rankings, autocomplete suggestions, ratings, reviews, or ad clicks, including through spam, fake activity, or deceptive content.
- Copy, modify, reverse-engineer, decompile, or create derivative works of Severon Search, or attempt to discover its source code, models, ranking methods, or non-public interfaces.

- Create accounts to get around a suspension, limit, or ban.

9. PRIVACY

Severon's handling of personal data is described in the Severon Privacy Policy, including how Severon Search processes search terms and approximate location. Searches You make while signed out are not associated with a Severon Account.

10. REPORTING CONTENT AND LEGAL REQUESTS

- You can report a review, photo, or place through the reporting tools in Severon Search.
- If You believe a Result or any content on Severon Search is illegal or infringes Your rights, including Your copyright or trademark, contact Severon Support with a description of the content, where it appears, and why You believe it should be removed. Severon may ask for more information and may share Your request with the person who posted the content where the law allows.
- Knowingly false reports or legal requests are a violation of these Terms.

11. SEVERON'S INTELLECTUAL PROPERTY

Severon and its licensors own all rights in Severon Search, including its software, design, ranking, maps, data compilations, and Severon trademarks and logos. Except for the limited right to use Severon Search under these Terms, no rights are granted to You, by implication or otherwise. Content in Results that belongs to others remains theirs and may be protected by their rights.

If You give Severon feedback or suggestions, Severon may use them without restriction or obligation to You.

Severon may add, change, limit, or remove any part of Severon Search at any time, including features, Results, and availability in any country or region, with or without notice.

13. SUSPENSION AND BLOCKING

Severon may suspend, limit, or end Your access to Severon Search, or any feature, and may remove Your Content, immediately and with or without notice, if it believes You have violated these Terms or the law, or to protect Severon, its users, or others. Serious violations, including scraping, automated access, ad fraud, fake reviews, and ban evasion, result in permanent loss of access on the first offense. You may appeal a decision about Your account once, within 14 days, through Severon Support. Appeals are reviewed by a person, and the decision is final.

14. DISCLAIMERS

SEVERON SEARCH AND ALL RESULTS ARE PROVIDED "AS IS" AND "AS AVAILABLE." TO THE FULLEST EXTENT PERMITTED BY LAW, SEVERON DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, ACCURACY, AND NON-INFRINGEMENT. SEVERON DOES NOT WARRANT THAT SEVERON SEARCH WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE, OR THAT ANY RESULT, AI OVERVIEW, MAP, OR DIRECTION IS ACCURATE, COMPLETE, OR SAFE TO RELY ON.

15. LIMITATION OF LIABILITY

TO THE FULLEST EXTENT PERMITTED BY LAW, SEVERON WILL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR ANY LOSS OF PROFITS, REVENUE, DATA, OR GOODWILL, ARISING OUT OF OR RELATING TO THESE TERMS, SEVERON SEARCH, OR ANY RESULT, EVEN IF SEVERON HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SEVERON'S TOTAL LIABILITY FOR ALL CLAIMS ARISING OUT OF OR RELATING TO THESE TERMS OR SEVERON SEARCH WILL NOT EXCEED 100 USD. SOME JURISDICTIONS DO NOT ALLOW CERTAIN OF THESE LIMITATIONS, SO THEY MAY NOT APPLY TO YOU.

16. INDEMNIFICATION

To the extent permitted by law, You will defend, indemnify, and hold harmless Severon and its officers, directors, employees, and agents from any claims, losses, damages, liabilities, costs, and expenses, including reasonable attorneys' fees, arising out of or relating to Your Content, Your use of Severon Search, or Your violation of these Terms, the law, or anyone's rights.

17. CHANGES TO THESE TERMS

Severon may update these Terms. Severon will post the updated Terms on legal.severon5.com with a new version date at least 14 days before the changes take effect. Changes needed for legal or safety reasons, and changes for new features, may take effect immediately. If You continue to use Severon Search after changes take effect, You agree to the updated Terms.

These Terms are governed by the laws of the State of California, excluding its conflict-of-laws rules. Any dispute arising out of or relating to these Terms or Severon Search will be brought exclusively in the state or federal courts located in Orange County, California, and You and

Severon consent to the jurisdiction of those courts. Severon may seek injunctive or other equitable relief in any court to stop automated access, scraping, or other misuse. If You are a consumer, nothing in these Terms limits any rights You have under the mandatory laws of the country where You live, including the right to bring a claim in Your local courts.
